WOOD DUST AND WEARING A MASK.

If you are working with wood dusts or other fine dusts, protect yourself to stop you inhaling the harmful dusts.

The pictures below show how much dust can travel through various masks, this could end up in your lungs.

REMEMBER

WEARING THE RIGHT MASK WILL STOP YOU BEING EXPOSED TO DUSTS WHICH COULD CAUSE LUNG DISEASE.

NO MASK

**NUISANCE DUST
MASK**

FFP1

FFP2

FFP3
